

May 20th, 2009

Dear Greening of Milan Expo Sponsor/Participant,

As organizers of this event we extend a huge Thank You for participating in the First Annual Greening of Milan Expo at Milan High School on April 20th & 21st 2009!

We understand that your time and resources to build your business are very important and in most cases very limited. So we appreciate that you trusted us with those resources to build an event that could showcase your business and provide a platform to educate the public on many topics related to going green and saving green.

As a participant for the first year of this event, we will be extending a discount to you for next year's event. Look for these details in an invitation to participate in next year's event.

If you feel you have the talents to make next year's event bigger and better, please let us know right away so you can be notified when the planning starts. Any ideas or suggestion you have, please send to contact information below.

Please also note the enclosed newspaper ads that are an example of ways that your business was promoted along with the event.

Thanks again and we look forward to seeing you again next year!
